School Age Care Programs

A Success Story About...Erika and her sons

Erika is a single mom of two boys, a 1st and 4th grader. She has enrolled her boys in our School Age Program for the past two years. As a result, she has been able to get a better paying job while having the security of a program that operates until 6:00pm, and during school early dismissals, holidays, as well as

all summer. She is able to take advantage of the county voucher program and knows GCDC will not charge an additional fee because the voucher does not cover the real cost of care. The funds from the United Way of Gloucester County help fill the gap.
