

## 2017 Gloucester County Public Employees Charitable Campaign

### BECAUSE OF YOUR GIFT...

**ASTHMA AND ALLERGY FOUNDATION OF AMERICA** is able to provide life-saving information and education to millions of patients and families to improve the quality of life for people with asthma and allergic diseases.

**AUTISM NEW JERSEY** is able to support the 1 in 41 with autism in the state, through our four core service pillars: Information Services, Education and Training, Public Policy, and Awareness.

**OSTEOGENESIS IMPERFECTA (OI)**, “brittle bone disease,” is a rare and complex genetic disorder of the collagen. There is no cure for OI, but thanks to OI Foundation, there are treatments available to manage symptoms, minimize fractures, enhance independent function and promote general health.

**BOYS AND GIRLS CLUB OF GLOUCESTER COUNTY** is able to provide to all children snacks and dinner along with homework and tutoring activities, while also introducing them to dance, music, art, computer literacy, games and media production to name a few.

4.2 million people around the world, and in the USA, received life-saving and life-sustaining medicine from **BLESSINGS INTERNATIONAL. (NTN AGENCY)**

**CHILD AID** is able to provide training, resources and support to over 600 teachers and help more than 12,000 students each year become better readers and learners. (NTN agency)

**GLOUCESTER COUNTY SPECIAL SERVICES FOUNDATION** is able to enhance and grow the services and programs provided to the special services students and families.

**HOUSE OF CHARITY** is able to assist families in need, the frail, elderly and disenfranchised, feeds the hungry, supports veterans, serves the suffering, comforts the sick and educates many.

**LAWRENCE TOWNSHIP EDUCATION FOUNDATION** is able to bring valuable programs to every student in every school in Lawrence Township.

**MAINSTAGE CENTER FOR THE ARTS** is able to touch the lives of young people and give them each a chance to pursue their love of the arts.

The **NATIONAL CHILDREN'S CANCER SOCIETY, INC. (NCCS)** provides emotional, financial and educational support to children with cancer, their families and survivors. Over 40,000 children have benefited from the program, services, educational conferences and publications.

The **NJ CENTER FOR TOURETTE SYNDROME AND ASSOCIATED DISORDERS INC. (NJCTS)** is committed to the advocacy of children and families with Tourette Syndrome and its associated disorders. NJCTS is dedicated to delivering high quality services to these individuals and educating the public, medical professionals, and teachers about this disorder through programs and affiliations with public schools, health centers, and universities.

**OASIS ANIMAL SANCTUARY** is able to provide ongoing animal care at the farm and spaying & neutering of community animals through Oasis' Spaying and Neutering Program.

**BEST FRIENDS ANIMAL SOCIETY** makes it possible for animals to get the care and enrichment they need.

**PARTNERS IN LEARNING** is able to provide high quality early education for children with and without disabilities; helps children with autism and their families to participate and integrate in schools, home, and in the community.
