GO BEYOND GIVING.

SOLVE IT TOGETHER.

LIVE UNITED 365 SMALL BUSINESS CIRCLE

For only a dollar a day, or \$365 a year, your business becomes a member of the LIVE UNITED 365 Small Business Circle. United Way of Gloucester County (UWGC) has created an easy, affordable, and effective way for companies with fewer than 35 employees to give back. Being a 365 Small Business Circle member aligns your business with the strong LIVE UNITED brand, recognized as one of the Top 10 most recognizable nonprofit brands in the world. You will receive an exclusive LIVE UNITED 365 Small Business Circle decal to display, and show your customers your commitment to the community.

WAYS TO INVEST

There are several simple ways to join other area businesses in this collective investment in our community, while increasing your business' visibility and strengthening customer loyalty.

Business Owner Contribution

- Make an investment that matches your community spirit with your bottom line. Simply write a one-time check or make a pledge now and pay later.

Business Owner and Employee Investment

- Engage your staff for a business-wide investment. Create employee incentives to give, such as allowing employees to dress in jeans and a LIVE UNITED shirt for a donation. You may also offer to match your employee contributions or include pledge forms in your new-hire paperwork.

Business Benefit Event

- Create an in-business benefit or promotional event that invites your customers to LIVE UNITED. Donate a percentage of sales or proceeds from a special item purchase. UWGC will work with you to give ideas for these kinds of promotions.

Your contribution to UWGC, combined with thousands of others, will support a network of local agencies committed to improving the quality of life for all.
