

**BIG BROTHERS BIG SISTERS INDEPENDENCE
PRESENTS:
A SUCCESS STORY STARRING ...
*Nevaeh & Alessandra***

Little Sister Nevaeh and Big Sister Alessandra have been matched for close to 3 years and they have developed a strong bond during this time. Both Nevaeh and Alessandra report enjoying the special friendship they have formed and look forward to the different activities they plan together. They usually participate in BBBS match activities and also enjoy low-key activities such as going on hikes, watching movies, or cooking. One of the highlights of this match has been to work on improving Nevaeh's study habits, and in the past year her grades have improved noticeably. Big Sister Alessandra said she is very proud of her Little Sister, and Nevaeh says she is proud of herself. She even came up with her own list of things to do to have a successful school year. This is a great match that does consistently well even when dealing with a new challenge. Big Sister Alessandra moved about a 50-minute drive away, but she still makes it a point to make time and continue with match activities, and also keep in touch over the phone in between outings. Nevaeh's mom is very happy about how the match relationship has impacted her daughter.
