

## GARDEN STATE COUNCIL PRESENTS: A SUCCESS STORY STARRING ... *Our Scouts at ScoutReach Camping Weekend*

We are so excited that Colby Broaddus, a ScoutReach Executive, held a successful ScoutReach Camping Weekend on November 11-12, 2023, at Pine Tree Scout Camp! The weekend was packed with activity...we saw 22 girls and boys from all 9 ScoutReach Cub Scout Packs out at Pine Tree!

These scouts learned about first aid, participated in arts and crafts, learned some scouting skills, got to shoot archery and BBs, and so much more. They made memories and friendships in this short time together during their first Cub Scout camping trip!

The Cub Scouts were lucky to have Preston Irving, Pine Hill Senior District Executive, volunteering and helping Colby with the ScoutReach Camping weekend. We also received help from our ScoutReach Program Aide, Paul Ackley, and Ranger Bill Sherwood. They made sure the Cub Scouts enjoyed the activities on the range safely.

This is why we do what we do. Making an extra special ScoutReach Cub Scout weekend of learning and fun for all!
