

What Impact Has United Way Funding Had on... The Arc Gloucester's CAMP SUN 'N FUN?

The funding support from United Way of Gloucester County continues to be a critical component to the success of The Arc Gloucester's Camp Sun 'N Fun respite program. It provides equipment and supplies to run the program, staffing for the program so all campers have sufficient supervision, and offers the level of care our campers and their families depend on to feel safe. According to U.S. Census data, nearly 9% of individuals under the age of 65 in Gloucester County are disabled, which equates to over 27,000 people. Thanks to the support of United Way of Gloucester County, Camp Sun 'N Fun is able to continue to provide a short respite for the caregivers of our campers, while offering camaraderie, new experiences, and lots of fun for those in their care.
