

## Painting for a Purpose

Fahrenheit Ceramic Studio is teaming up with United Way of Gloucester County and selling Pottery To Go kits in conjunction with our **May 25, 2021 5pm-9pm** in person event (call for an in-person reservation) so that everyone can get creative.!!

Choose pottery, paints and paintbrushes (optional). We will pack everything up for you to experience a family fun painting party in the comfort of your own home!! Just the perfect activity for Mother's Day or the perfect de-stressing from all those Zoom Calls!!

Painted pottery needs to be returned to **Fahrenheit Ceramic Studio, 8 S. Broadway, Pitman** for glazing and firing. Your finished pottery will be ready to be picked up 7 days after you drop off to the studio.

All finished pottery is lead-free, food safe, and microwave safe. Hand washing is recommended.

**Complete the order form and return to the UWGCNJ no later than Friday, May 14. Cash and checks payable to: UWGCNJ**
