

What impact has United Way funding had on HollyDELL?

Thanks to generous funding from United Way of Gloucester County, individuals in the HollyDELL Adult Program are able to participate in community activities on a regular basis. Visits to the aquarium, museums, the zoo, parks, stores, bowling, even the Jersey shore...these are all made possible by this funding. Without this support, their community outings would be severely limited. These outings also benefit our clients socially, as they are able to interact with each other and with members of the community, which makes for a positive impact on our clients all around.
