

What Impact Has United Way of Gloucester County Had on These Programs...?

HollyDELL

Funding from the United Way of Gloucester County allows the individuals in the HollyDELL Adult Program to participate and be included in community activities, such as attending a Phillies game, on a regular basis. Without this funding, these individuals would be limited to going on community outings only several times a year.

Literacy New Jersey Glo. Co. Programs

United Way of Gloucester County has been instrumental in the academic success of adult learners like Juna, profiled in our Success Story for this year. Our United Way partnership has been essential to the stability of student services. Without United Way funding, Literacy NJ would be forced to spend more time searching for dollars and less time providing vital literacy instruction. By continuing to invest in Gloucester County's most vulnerable families, United Way is helping us help them thrive.
