

## How much do you spend on regularly purchased items over a year's time?

*Would YOU be willing to give up just one of these items once per week and pledge that money to United Way?  
It adds up after a while!*

**Things add up! It's kind of shocking to realize just how much you spend per year on items like these. But if, for example, an employee were to forfeit the purchase of just 1 of their cans of soda each week and pledge that \$2.00 per week to United Way via weekly payroll deduction, they'd be giving an annual gift of \$104.00! See how easy it is? Make sure all of your co-workers know this!**
