

What Impact Has United Way Funding Had on... LITERACY NEW JERSEY, GLOUCESTER COUNTY?

United Way of Gloucester County (UWGC) funding has been pivotal to the academic success of adult learners. Our partnership with UWGC has ensured the stability and continuity of essential student services. Thanks to the support from the UWGC, literacy instruction thrived in 2024 – a feat that would not have been achievable without this partnership. By investing in the most vulnerable families in Gloucester County, UWGC is playing a crucial role in their journey. Without this support, Literacy NJ would face the challenge of diverting valuable time and resources away from providing critical literacy instruction in order to seek alternative funding.
