

Repauno Preschool Day Care Center

Infant and Preschool Childcare & Early Education

**UWGC IS HONORED TO PRESENT A REPAUNO PRESCHOOL DCC
SUCCESS STORY STARRING...VICTORIA C.**

Victoria C. came to Repauno soon after unfortunate events placed her and her two (2) young children in a homeless shelter in Glassboro. She was placed in a work program through one of our collaborating organizations, Work First New Jersey, but she needed to make sure that her children would be safe and cared for while at her activity. One of the women in her group told her about a United Way agency in Gibbstown that had helped her, and gave Vicki a telephone number and told her that Repauno was the place to call. Through utilizing our childcare services, she was able to complete the program and secure a job. Knowing her children were being well tended to in a safe and nurturing environment, she worked diligently to improve her family's living conditions. Vicki was able to sustain employment and obtain permanent housing for her children and herself...thanks to the support from United Way of Gloucester County partnering agency, Repauno Preschool Day Care Center!
