

## SAMARITAN HEALTHCARE & HOSPICE

PRESENTS:

A SUCCESS STORY STARRING ...

*Theresa*

One of our most devoted volunteers is Theresa, who is our 2024 Gala Chair. Theresa is an incredible volunteer who began her relationship with Samaritan not due to us having cared for her husband, who died suddenly and tragically 13 years ago, but because she learned that our Center for Grief Support offered counseling for anyone in need in our service area.

Theresa is an example of a community member-at-large who benefitted from our grief counseling and extended her relationship with us long-term. She has been instrumental in helping Samaritan dramatically increase our net revenue from our Gala over the many years during which she has volunteered with us.
